

# SHX Coin Whitepaper

---

## 1. Introduction

SHX Coin is the official utility token powering the Smart Hub ecosystem, including [www.SHshops.com](http://www.SHshops.com) (global spare parts e-commerce), [www.RepairX.io](http://www.RepairX.io) (smart device repair network), and [www.holdingSH.com](http://www.holdingSH.com). Built on Ethereum (ERC-20) and BNB Smart Chain (BEP-20), SHX Coin enables seamless transactions, exclusive discounts, and loyalty incentives within our platforms.

## 2. Vision & Mission

Vision: To be the world's leading crypto-integrated e-commerce & repair ecosystem.

Mission: To empower global users with efficient, affordable, and tokenized access to high-quality electronic components and smart repair services.

## 3. Use Cases

|                                                                                                                  |                                                                                                                   |
|------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------|
|  <b>Purchases</b>             | Use SHX Coin to buy laptops, mobile parts, and accessories on SHShops.com or pay for device repair at RepairX.io. |
|  <b>Loyalty Rewards</b>       | Earn SHX through referrals, purchases, and platform activity.                                                     |
|  <b>Discounted Services</b>   | Enjoy up to 20% discount on selected services and products.                                                       |
|  <b>Multi-platform Access</b> | Use across SHShops.com, RepairX.io, and future SH applications.                                                   |
|  <b>Subscription Features</b> | Unlock premium content, services, or fast repair queues with SHX.                                                 |

## 4. Tokenomics

Token Name: SHX Coin

Symbol: SHX

Blockchain: Ethereum & Binance Smart Chain

Standards: ERC-20 & BEP-20

Decimals: 18

Total Supply: 1,000,000,000 SHX

Circulating Supply: Dynamic (based on liquidity & listing)

Contract (Ethereum): 0x2E11Ec824f8Cf3B60de8d3785571611dc92ebaDc

Contract (BSC): 0x102F773997CbAC69669B80b0147fE69F924f35B1
